Here we are in the last weeks of school. The year has quickly gone by. We want to thank you for the opportunity to guide and teach your children. The children have grown and developed in so many ways. It has been a privilege and pleasure to be a part of their early childhood education! We congratulate all our 2017 graduates and we wish them the very best in kindergarten! Hopefully we will see the return of students from the two and three year old classes in the school year 2017-2018. There are registration forms available for the school years 2017-2018 and 2018-2019 if you plan to continue your child's education at St. Stephen's Preschool. The forms are on the preschool's website or ask a teacher for the forms.

What we did last month ...

All the classes enjoyed the warm weather and the outdoors. Preparations are underway for Parent Day and graduation. Be sure to check the days and times for both. Anybody may attend the graduations on May 15, 16, and 17, starting at 7:00pm in the church sanctuary. The children have been making special gifts for Mother's Day and learning to appreciate how much Mommy's do for them. The 3's and 4's watched as caterpillars completed the stages until they became butterflies. They then watched as the butterflies were released.

The 2 year old class enjoyed a nursery rhyme theme, including *Humpty Dumpty*, *Little Bo Peep*, *Old Mother Hubbard*, and *Twinkle, Twinkle Little Star*. On May 4, the class entertained parents on Parent Day with some songs and rhymes they learned this year. Mrs. Frack made it through the day, and we hope through the next week, before her baby arrives.

The 3 year old classes enjoyed farm and teddy bear themes. We hope you saw their Teddy Bear Picnic bulletin board. Be sure to look at the Under the Sea board pertaining to the beach theme for May.

The 4 year old classes spent part of April learning about the universe and butterflies. They are now focusing on graduation. Be sure to read all the information sent home to you pertaining to graduation.
